

National Weekend 2004

TR
DRIVERS
CLUB

**July 10 & 11 at Billing Aquadrome,
Northamptonshire**

The **TR Drivers Club** National Weekend will be held on the second weekend of July 2004, and the theme of the central display (on **Sunday 11th July**) will be *TRaditional TR's*. We will have an impressive display of TR2 through to TR6 and hope to cover all models. We also hope to display a Triumph Roadster - the original TR.

As usual there will be a good TR7 turnout and we would like to see the last of the TR line well represented on **Saturday 10th July** for the *Convoy run*.

Non-members will be warmly welcomed over the weekend and may partake in the central display.

An entrance fee is charged by Billing Aquadrome, in addition the TR Drivers Club will ask for a small fee to enter the club field to help towards the cost of the event.

www.TriumphTR7.com

Triumph TR7.com is not part of the TR Drivers Club and receives no money from the club... I just do my bit to help promote the premier annual TR7 event in the UK.
